

What is Vertical Healing Center?

Vertical Healing Center is a Christian ministry whose purpose is to bring the life and healing of the Lord Jesus Christ to the whole person (heart, mind, emotions, and body) through the truth of God's Word and the power of the Holy Spirit.

We apply the liberating truths of God's Word to areas of brokenness in the lives of those receiving ministry. We follow many of the best-known models of Biblical Inner Healing Ministries, including the teachings of Dr. Neil Anderson, John & Paula Sandford, and others.

You can walk in Freedom!

Testimonies of Healing

Connie is a compassionate and caring counselor who encourages healing and growth through Christ. I have been so blessed to have her lead me through my journey of healing. Her Christ-centered beliefs and life experiences give her a strong ability to work with any type of circumstance. - Melissa

In my place of hopelessness was where Pastor Connie met me. She had such a powerful gift of healing. We began the process of going deeper and deeper with God. I have had many amazing experiences - walking in healing is such an adventure. She took baby steps with me, leading me closer to Jesus and taught me to hear and yield to the voice of the Holy Spirit. She did understand me. It's been by far the biggest investment in my life. That has been worth it all. I wouldn't trade what I've learned for anything. The difference for me has been going from depression and deep darkness to such an awesome peace that never leaves me. I am a walking miracle. Glory to God. - Dawn

Counseling with Pastor Connie was nothing like we expected. It was like God himself was in the room directing and healing us in ways we could have never expected. It helped take our marriage from a good start to a Godly foundation. - Lauren

It all started with my dear friend telling me that I had to meet this woman. She said there were things in our lives that hold us back, ok, knew that one! As Connie began to impart truths I had never heard; generational strongholds, ungodly beliefs, word curses, lies opposite of His truth, my eyes began to open up! So many of these things were holding me back, keeping me weighed down. As I allowed, and still allow, Jesus to come in and heal those areas of my heart, exposing so many lies, His truth began set me free!

I see things in such a different perspective as my life has been radically changed! I now know I am worthy of my fathers love. I know that there is nothing I could do to make him love me more or love me less! I am His bride to be, the apple of His eye and He flat out adores me! To not only know that He is my Heavenly Father, my dad, but to be able to receive His love and walk in this new found freedom..... Is life-changing!

My heart and prayer is that you discover this truth and begin to walk out in your life the calling and destiny that only you have, because you are worthy, you are loved, you are special, you are unique and you are the apple of His eye! - David and Lisa

The Butterfly's Transformation

Inner Healing is to change from the inside out.

The butterfly begins its life as a crawling caterpillar. At some point it finds a safe place, where it weaves itself into a cocoon. In this place of safety the caterpillar's old form dies, liquefies. Everything it once was dies—the same chemical substance exists, but not in the same form. The creature that breaks forth bears no resemblance to what it once was. The liquid mess it once was has been transformed into a beautiful butterfly.

It no longer crawls, but flies! This is the awesome miracle that occurs when we are transformed and healed through Jesus Christ.
